

# COURSE 2/3: Liberty & Finesse Riding

May 2-4th, 2021 ~ Saskatoon, Saskatchewan

There's power in the art of play and this course is full of fun exercises to build stronger leadership and a close bond between horse & rider, both on the ground and under saddle. Develop better posture/balance and advance your feel/timing whether playing online (in preparation for liberty) or under saddle...it all leads to creating the ultimate riding horse!

## OVERVIEW

- The fundamental concepts of Liberty Training...and if your ready, playing at liberty within the group.
- Focus on next steps in the JF Training Scale with Bend & Balance and then Shortening & Lengthening the horse.
- Become a more precise & balanced rider to help your horse bind healthy, relaxed movement.
- Show your horse how to lift his back and use his whole body correctly.
- Achieve soft transitions and easy canter departures
- The "Samurai Circle" and "Tye-Dye" exercises to teach elasticity within the horse.

\* Each clinic has a different dynamic of people and horses. Some lessons may be focused on more than others, including some not mentioned here. If one of these goals is important to you, please mention so at the beginning of the clinic.
